

## Welcome to World of Coca-Cola!

The health and safety of our guests and employees is our top priority, and we have adjusted our operations in compliance with guidelines from health and government authorities.

### **Please be aware of the following changes, instructions and policies:**

- Please purchase advance timed tickets at [www.worldofcoca-cola.com](http://www.worldofcoca-cola.com). There will be no option for onsite ticket sales. All guests will scan their own tickets, so be sure to have your printed or mobile tickets available at the entrance.
- We are requiring that all ambassadors and guests over the age of 2 wear face coverings. Please bring your own face covering or be prepared to purchase one at entry.
- Please arrive as close to your ticket time as possible. If you are running more than 15 minutes beyond your time window, please call 404-676-5151.
- We are conducting temperature scans for all ambassadors and guests. Guests whose temperature reading is above 100.4 degrees will undergo an additional scan. If a guest still has a high reading, the guest will receive a refund and be asked to visit on a different day.
- Please remain close with your party during your visit and follow directional and instructional signs. You will notice that we have reduced our capacity and changed the guest path through the attraction to minimize time in queues and promote social distancing. Please ask an ambassador if you or someone in your party needs to break away from the prescribed path to use the restroom.
- We are conducting enhanced cleaning routines throughout the attraction, spacing out open restroom stalls for safety and closing all water fountains.
- We invite you to visit The Coca-Cola Polar Bear and pose for photos. However, this experience will be slightly adjusted to meet social distancing guidelines.
- The Taste It! sampling experience has been altered to comply with FDA guidelines regarding self-serve beverages. This means that you will be sampling fewer beverages than prior to the pandemic but there will also be more opportunities to learn from and ask questions of our Coca-Cola ambassadors. The Freestyle fountains will be unavailable. Taste It! is the only area where face coverings may be removed.
- The Coca-Cola Store will be open to all visitors of World of Coca-Cola and we are encouraging cashless transactions to reduce physical contact.

Visit [www.worldofcoca-cola.com](http://www.worldofcoca-cola.com) to reserve tickets and for more helpful information.
